The InLiquid Gallery is the physical expression of InLiquid Art + Design's mission as a hub for visual art in Philadelphia. As a non-profit providing opportunities and a platform for enhanced exposure for local artists, The Gallery is the first permanent space that offers rotating curation of our artist members' work. The Gallery aims to provide the local and visiting public with a social destination where artwork can be seen, enjoyed, experienced, and purchased. In addition to fine art, The Gallery will feature a rotating selection of craft items, jewelry, fashion accessories, and art books.
